Contour 360® Solid Carbide End Mills

VARIABLE PITCH • TIALN COATED

PART # NCM4012

3/16" Contour 360® End Mill

4-Flute • 9/16" LOC • Variable Pitch • TiAlN

Variable-pitch geometry breaks up harmonic chatter for cleaner finishes and higher feed rates. Heat-resistant TiAlN coating extends tool life in tough alloys.

$22.95 *While supplies last*

PART # NCM4016

1/4" Contour 360® End Mill

4-Flute • 3/4" LOC • Variable Pitch • TiAlN

Built for aggressive slotting and profiling with minimal vibration. The 3/4" length of cut and rugged TiAlN thermal barrier keep your spindle running faster.

$24.08 *While supplies last*

Kyocera® Indexable Milling Bodies

FACE MILLS & SHOULDER MILLS

PART # THN04521

Kyocera 3.000" 45° Face Mill

MFPN453000R6T • 6-Flute

Uses Insert: PNMU1205ANER

Curved cutting edges reduce cutting force and chatter. Uses economical double-sided 10-edge inserts for facing and chamfering.

$100.00 ea

While supplies last

PART # THN04510

Kyocera 2.500" 45° Face Mill

MFPN452500R4T • 4-Flute • 0.750" Bore

Uses Insert: PNMU1205ANER

Compact 2.5" 45° face mill for smooth, low-horsepower facing. Dual-angle edge design suppresses fracturing for reliable finishes.

$100.00 ea

While supplies last

PART # 8819044

Kyocera 1.500" 90° Shoulder Mill

MEC1500-S125-17 • 1.250" Shank

Uses Insert: BDMT1704

True 90° shoulder mill with 4 inserts, internal coolant-through, and 0.6181" max DOC for rigid, heavy-duty facing and squaring.

$75.00 *While supplies last*
